REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 CFR 1.323 and 37 CFR 1.322

Sir:

It is respectfully requested that a Certificate of Correction be given in accordance with Form PTO-1050, enclosed in duplicate. There are two errors that are believed to be significant and correction is required in order that no misunderstanding will occur. The first error is applicant's mistake and the second error is the Patent Office's mistake.

The first error at col. 15, line 33 is a typographical mistake by the applicant and does not constitute new matter or require reexamination:

replace "asscoiated" with ---associated---

Insomuch as this error appeared in a Response filed by the applicant, please find the enclosed check in the amount of \$100.00 for issuing the Certificate of Correction.

The second error is the fault of the Patent Office and appears as a hand corrected Fig. 3 on drawing sheet 2.
